

The Rosedale International Center provides meals at an affordable rate for all groups that use the facility, whether it's a family gathering, fundraising banquet, conference, or other event. We have collected a wide variety of ethnic recipes through our international work, and we can provide nearly any meal that is found in the RMM cookbook, *The World at Your Table*. You may purchase this cookbook at our facility or find it online at our website (cookbook.rmmweb.org). To better accommodate our guests we have a variety of options for you to choose from to create your own personalized menu.
